Fiestas de Independencia Cartagena 2018

A vibrant, colorful illustration featuring stylized palm trees in shades of purple and green against a warm, orange and red gradient background. A purple bird is shown in flight on the right side. In the lower center, there is a depiction of a classical building with a red archway, likely representing the Cartagena Principal. The overall style is festive and celebratory.

Cartagena Principal – Centro Histórico

Miércoles 7 atención hasta las 12:00 M.

8, 9 y 10 no habrá atención

Se reanuda el martes 13 en horario normal
